Disaster Damage:

IMPACT AND UNMET NEEDS ASSESSMENT Jefferson County Action Plan for Disaster Recovery (April 27, 2011 Tornado) Preface The April 27, 2011 tornado devastated Jefferson County, causing over \$600 million in property damage. According to the Jefferson County Coroner office 21 persons were killed in the storm. According to the Jefferson County Emergency Management Agency, there were multiple tornados ranging in capacity from EF-4 to EF-5 that impacted Jefferson County. The recovery effort began immediately with various local, state, and federal agencies responding. The responding agencies included the local Jefferson County Emergency Management Agency; local law enforcement agencies, the Alabama National Guard; FEMA, as well other community based and volunteer organizations. This section of the Action Plan will address eligible areas in the Jefferson County HUD Consortium impacted by the April 27, 2011 tornado; define unmet needs; provide a historical perspective of tornados impacting Jefferson County; present contributing factors to frequent tornado activity in the county; provide an initial needs assessment by local and federal agencies; provide an overview of recent public meetings held in the impacted communities to determine unmet needs; present the Jefferson County CDBG-DR program guidelines; and present a proposed disbursement of the county CDBG-DR funds. Eligible Areas Impacted by the April 2011 Tornado The areas eligible for the Jefferson County Community Development Block Grant Disaster Recovery (CDBG-DR) funds include Concord, Pleasant Grove, Alabama, North Smithfield, McDonald Chapel, Warrior, Alabama, Fultondale, Alabama and Vestavia Hills, Alabama. Unmet Needs Defined An unmet need is defined as the difference between damages sustained in the impacted areas during the storm event mentioned above and post disaster resources the impacted areas are eligible to receive in the recovery effort. Participants receiving assistance from insurance payments, FEMA, SBA, etcetera will be documented and not duplicated. Historical Perspective of Tornados in Jefferson County Since the 1950s, Jefferson County has experienced five (5) major tornados. The capacity of these tornados has ranged from EF-4 to EF-5. The county was struck by major tornados in 1956, 1977, 1998, 2011 and 2012. Below is an overview of the first three (3) major storm events that hit Jefferson County, which will be followed by the two (2) most recent tornado events. The first tornado, which occurred on April 15, 1956, originated near Pleasant Grove, Alabama with an approximate 21 mile path and struck the communities of Edgewater, Tarrant, Alabama, McDonald Chapel and Pratt City, which is a community in Birmingham, Alabama. The second major tornado struck on April 4, 1977. This F-5 tornado moved through Pratt and Nthfield and killed/p> The third major tornado struck the Oak Grove community on April 8, 1998 and killed 32 people. The storm traveled more than 30 miles impacting Concord, Pleasant Grove, Alabama, Edgewater and McDonald Chapel. More than 1,000 homes were destroyed and 900 homes suffered major damage. On April 27, 2011, multiple tornados touched down in Jefferson County. It was reported that 21 persons were killed from tornados ranging in capacity from EF-4 to EF-5. There were countless others who were seriously injured from the major storm event. Moreover, the property damage from the storm was estimated to be over \$600 million. On January 23, 2012 another major tornado storm struck Jefferson County. This EF-3 tornado winds peaked at 140 miles per hour. The tornado did significant damage to Oak Grove, Pinson, Center Point, Alabama and Clay, Alabama. The storm killed two (2) people, a 16 year old girl who resided in Clay, Alabama and an 81 year man who liv

Recovery Needs:

Recent Assessment of Unmet Needs from the April 2011 Tornado Impacted Areas

Approximately a year after the April 2011 massive tornado event, the staff from the Community and Economic Development Department conducted a series of meetings in the impacted areas mentioned above in order to explain to the citizens which activities are eligible under the CDBG-DR HUD Disaster program. These meetings were conducted between May 10, 2012 and June 5, 2012.

In each of the public meetings, local officials and the public were informed of the meaning of unmet need, as well as given an overview of eligibility activities to include the following:

Housing Rehabilitation

,

1. Rebuilding Homes
2. Down Payment Assistance and/or Closing Costs
3. Public Facilities
4. Demolition
5. Debris Removal
6. Infrastructure
7. Economic Revitalization
8. Planning

,

At the end of each meeting, the citizens as well as public officials were asked to complete a survey form identifying unmet needs. In most cases, the Department of Community and Economic Development received the names of persons needing assistance with housing, whether it was housing rehabilitation, assistance with a safe room, or assistance with rebuilding. The same information was received from those who anticipated needing down payment assistance or assistance with loan closing costs.

Citizens and local officials also provided documentation on the need for debris removal and demolition.

Community and Economic Development staff also received documentation from citizens and public officials pertaining to unmet needs relating to infrastructure and public facilities.

Economic Revitalization unmet needs were also identified.

The results of the unmet needs identified during the public meetings, as well as meetings held with local officials are presented below:

Note: After conducting a public meeting in Fultondale, Alabama and meeting with city officials, it was determined there were no unmet needs. However, Fultondale, Alabama will be considered for assistance identified in the Action Plan since it was impacted by the April, 2011 tornado.

Public Comment:

Citizen Participation played an integral part in the development of this proposed CDBG-DR Action Plan as the Community and Economic Development staff held meetings in each affected area to determine the level of unmet needs still existing after all other resources had been exhausted.

The Final Amended Statement for the 2012 CDBG-DR Grant was developed after receiving citizen comments and views during the 7-day comment period and also at a public hearing held on December 2, 2013 at 2:00 p.m. at the Jefferson County Office of Community & Economic Development 716 Richard Arrington Jr. Blvd. North, Suite A-420, Birmingham, Alabama, 35203. The Public Hearing notified interested persons of the proposed activities for CDBG-DR as contained in this CDBG-DR Action Plan.

The public was encourage to submit written comments regarding the proposed plan prior to 5:00 PM on December 2, 2013. Written comments could have bene submitted to the following by U.S. Postal Service:

JeffersonCountyalso provided to HUD a written explanation that there were no comments that were not accepted therefore there are no reasons why anycomments were not accepted.

Complaints

JeffersonCountywill accept complaints and criticisms on the CDBG-DR Action Plan, amendments and the Performance Report at any time. The County will respond to any written citizen complaint within 15 working days from the time of receipt. The procedure for responding to criticisms of the program will be handled as follows:

Complaints and grievances may be filed by any individual or group, a municipality, theCountyCommission, the Office of Community Development, the U.S. Department of Housing & Urban Development's Area Office, and any agency of the Federal Government, any member of Congress, or the Office of the President. Regardless of the origin of the coirsfiling, itshall be reduced to writing, then based upon origin, it will be returned to the local government having direct jurisdiction.

If the complaint is based on a matter involving the Jefferson County CDBG-DR Program or other Consolidated/Action Plan programs, the Office of Community Development, must be notified, and will coordinate the local review and possible resolution of the complaint or grievance. Upon notification, the Office will insure that a complete and accurate response is made to the complainant within fifteen (15) days to discuss the matter. The major responsibility of the Office is to determine the functional and legal origins of the complaint, to address the validity of each, and to verify the geographical origin.

Complaints arising in municipalities in the Consortium, and particularly those which involve direct concern with municipal policy or administration shall be initially handled at the municipal level, with the assistance of the Office of Community Development. Should the complaints not be resolved at that level, the matter shall be referred to theCountyCommission. A complete record of correspondence, meetings, and research information shall be forwarded to the Commission upon referral. It shall not be the policy of the Office of Community Development to deal with complaints without the knowledge and direct involvement of local elected officials having jurisdiction, but the Office will provide staff support and technical assistance during the local review in a city or in the County.

If, after review and investigation at each level, the complainant is not satisfied with the outcome or does not voluntarily withdraw the complaint, he or she may proceed to the next level or other forms of relief.

Internal Complaint Procedure

All complainants shall be directed to the office of the Director of Jefferson County's Office of Community & Economic Development. The Director's office will direct the complaint to the appropriate division or office. The appropriate office shall respond to the complaint and notification shall be sent to the Director's Office that shall include a copy of the response.

Written complaints should be submitted to the following:

CDBG-DR Complaint
