Professional Engineer Certification:

By affixing my professional seal and signature on this form, I hereby certify that the design for this development has been submitted to the Jefferson County for review and approval. I further certify that the drainage areas shown in the hydrology and hydraulic (H&H) calculations and/or the attached maps do in fact drain into this facility and that the post-development runoff mimics predevelopment hydrology in accordance with the County's storm water management requirements in effect at the time the project was approved by the County.
