

**09.17.22** Saturday, September 17, 2022  
**9:30 am - 12:00 pm**

Please join your neighbors who have united with the local faith based community along with other organizations for the 7th Annual Fall Mulga Loop Road Litter Clean-Up. This event is focused on removing litter from along the roadways to prevent it from being washed by rain or carried by wind into Village Creek and Bayview Lake and becoming pollution.

**8 hours community service available. Gloves, trash bags, and bottled water are provided to volunteers. Event t-shirts are available on a first come first served basis.**

To ensure volunteer safety, local and state health and safety guidelines **MUST** be followed. Volunteers will be asked to drive their own vehicles to designated areas assigned at the registration site. Community members will be assigned to each designated area to ensure volunteer safety. Volunteers will be encouraged to keep any unused cleanup materials contained in their backpacks. Certificates Of Participation will be given out upon completion of the area. Trash grabbers will be sanitized pre and post event.
