

# SAVE THE DATE!

## 2023 Rain Barrel Workshop

Saturday, April 22 | 9:30 a.m. to 12:00 p.m.

Jones Valley Teaching Farm | Center For Food Education Pavilion  
701 25th Street North, 35203

Construct your own ready-to-install 55 gallon rain barrel with assistance from presenters and helpers, or just learn how to make your own at home! Cawaco RC&D council is providing funding to reduce the cost of this workshop; given so, there will be a limit of barrels per registrant. Registration is coming soon and will be on a first come first served basis!
