## **VEHICLE PROTEST APPLICATION**

### **Instructions**

A valuation on a motor vehicle may be protested before the County Board of Equalization. **You must purchase the tag before having a hearing.**

**A copy of your tag receipt must accompany your application. If you pay on-line, a copy of the renewal notice must be submitted with the internet receipt.**

The Assessed value of private automobiles is 15% of the book value.

The Assessed value of commercial vehicles, RV's, motorcycles & trailers is 20% of the book value.

The Board of Equalization deals only with protests to the value on the Vehicle & not with the tax or tag fee amount.

If vehicle owner wishes to protest the value of his/her automobile,

- 1) The owner must place the vehicle in his/her/entity name before a protest can be processed and purchase the tag.
- 2) The protest must be filed within 30 calendar days of the tag renewal purchase date.

**IT IS THE RESPONSIBILITY OF THE VEHICLE OWNER TO PROVE HIS/HER VALUE IS INCORRECT**

- Bring evidence to support your claim including but limited to:
  - Bill of sale
  - Service receipts to denote condition as of 10/1/20
  - Large photos of interior and exterior damage
  - Dealer appraisals

In order to expedite the protest process, hearings are held Birmingham. However, with a special request, the Board may consider a hearing in Bessemer. This may prolong your wait time until several requests have been made for the Board to travel to Bessemer.
